

SUPPLY CHAIN RECRUITING

Your Next Supply Chain hire is here.

From start-up to expansion, maturity, and beyond - making the wrong hire can threaten your bottom line and put a real stop to business growth. Yet, finding and retaining quality supply chain talent has never been more challenging.

We're Living in Talented Times

Aside from time and resource constraints, supply chain hiring managers today are faced with unique obstacles. The labor market is undergoing constant transformation and candidates have high expectations. So, if you're not getting the results you want from your current recruiting process, it's time to try something new.

Your Success Is Who We Know

The Connors Group is an executive search and recruiting firm focused on finding candidates with deep supply chain experience. We've been helping companies find top talent for over 20 years, and we have relationships with thousands of qualified candidates who are proven to perform and ready to take on new challenges in their careers.

Whether you need to fill a single position or build a team we achieve results quickly and efficiently. We work with you to create a customized recruiting plan tailored to your specific needs and unique business goals.
