

# Your Next Contractor is here!

**Short-term doesn't mean shortcuts. Whether your requirements are for staff augmentation, contract-to-hire, or an interim professional, we have the talent you need, when you need it. We provide industry-specific experts who are critically vetted for specialized roles in information technology (IT), finance, digital marketing, and supply chain!**

## **The Right People at the Right Time**

Unexpected projects and tight deadlines put a strain on team performance, especially if you're short-staffed. We provide highly-qualified contract professionals to augment your team and contribute to the overall success of your project. In fact, many of our contractors perform so well that they are asked to stay permanently. It's a testament to the quality of our people.

## **Evaluate Before Hiring**

Hiring a contractor is the ideal solution during times of rapid growth, if workloads are unclear, or if a full-time hire could delay your project. Our contractors have the credentials and skills needed to seamlessly fit within your existing team, enabling them to add immediate value.

If you're looking for a results-driven and relationship focused recruiting partner, welcome to The Connors Group.
