# Your Next Direct hire is here!

**Business success is all about hiring great people. In fact, we believe there is *nothing* more important!**

For over 25 years, hiring teams nationwide have chosen The Connors Group as their preferred recruiting partner and trusted advisor. As a result, we've established a deep professional talent network that truly sets our team apart. We also specialize in a comprehensive range of cross-functional recruiting services to help you achieve and exceed your long-term hiring objectives.

Whether you're looking for a fully managed recruiting solution or a dedicated partner to support your in-house recruiters, our team is here to help! We act as an extension of your organization to create a sustainable hiring process and candidate pipeline that can be tapped at a moment's notice. Each candidate is carefully vetted so you never have to sacrifice quality for speed.
